We're sure you could all do with the break - we've crammed so much in! We are so incredibly grateful for all the support. Our school community has really come together and we've achieved so much.

- Doughnut Sale (£206.40)
- Story Eve (£139.60)
- Quiz Night (£750.13)
- Easter Raffle (£634.59)

These events and initiatives would honestly not be possible without your support - so thank you so much. We truly hope that you can see the value in what our PTA does.

There is so much more yet to come before our academic year draws to a close. We're excited and we hope you are too! For now though, we hope you all have a really lovely Easter break.

Our annual quiz night was a hit thanks to the town's best quiz master Tom

THE EASTER HAMPER RAFFLE

Congratulations to our lucky Easter Hamper Raffle winners. We hope you've all had a chance to pick your prizes up in time for Easter.

This was a really lovely school community event and just proves how a little can go a long way. It was made possible, thanks to all your very generous donations. And of course the buying of the raffle tickets!

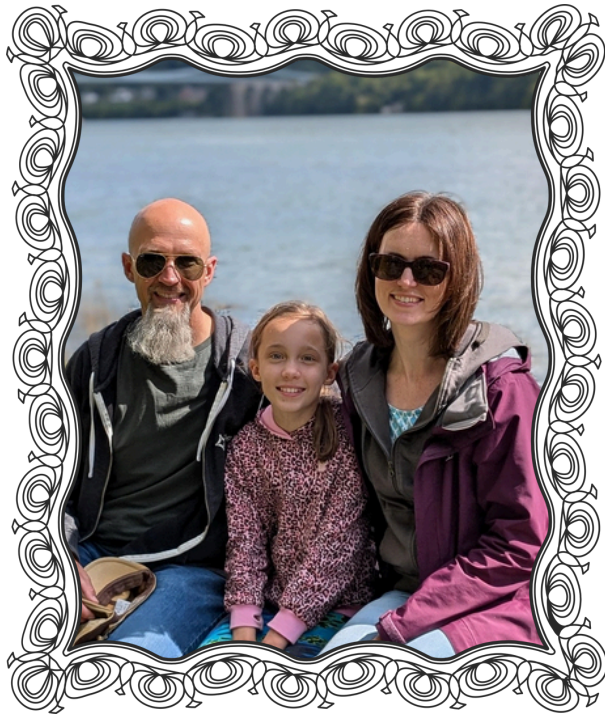

You might have noticed that this was our first fully online raffle - we hope this made it much easier for you to buy your tickets. It was definitely much easier for us to manage and do plan to run future raffles in this way.

Thank you to everyone that donated, participated and created this lovely opportunity to win a basket full of treats!

Kat Green

THANK YOU FOR ALL YOU DO

We've packed this term with lots of activities and Kat has been such an incredible part of making it all happen.

Reliable and always ready to muck in and help when needed, we've come to depend on Kat for her practicality and brilliant ideas.

She even manages to rope in the whole family to lend a hand. You are all very much appreciated and valuable members of our PTA - thank you so much for your ongoing support.

Why We Do What We Do

OUR PTA IS GOING FROM STRENGTH TO STRENGTH

We aim to foster the collaboration between parents, teachers, school staff and the wider community to improve our school.

- To strengthen our school community
- To bring teachers and parents together to support the school
- To raise essential funds for the school
- To host great events
- To deliver fabulous initiatives

The work we do cannot be done without a team. The bigger the team, the better we can be and the more funds we can raise for our school.

Our Summer Fair

THE BIGGEST EVENT OF THE YEAR IS JUST AROUND THE CORNER

Arrangements for our Summer Fair are well underway - We've got a bouncy castle - you couldn't have a summer fair without one!

Games are being planned and we should expect some very popular 'surprise' guests! We will share more over the coming weeks!

For now though, we would really like to hear your views.

What would you like to see there, what did you like/not like about last years. Any tips on where we can improve?

Our summer fair is a whole school community event and as such, we would like not only those from our community to be involved but also for us to support you, your businesses and most importantly our children.

So, we will be asking for donations, skills and time, and we really hope that you'll help make this Summer Fair even better than the last.

We can't do it without you. Anyway, for now, we would just love your input. Or if you think you can contribute in any way - please get in touch with us.

Don't hold back! All ideas are welcome and we would love to hear yours.

Could your business support our school?

Match Funding And Sponsorship

A LITTLE CAN GO A LONG WAY

There is a really easy way to support our school with donations, which is why we are asking all parents to check if your workplace offers match funding.

Lots of companies will match whatever you give to the school. So, a quick ask and you could be doubling your contributions!

This is often a tucked away 'perk' so you might need to dig a little deeper and befriend HR!

We are also always on the lookout for businesses that would like to offer sponsorship support. This can be a financial contribution towards an event or particular initiative, or a gift/experience that we can place in a raffle.

As a thank you to the companies that support us we would be happy to feature them in our newsletters and support them with signage and leaflets at our events.

If your business can help, we would love to hear from you!
