We have had another busy but wonderful week in school and the weather has certainly helped!

On Tuesday, we had a visitor from Allerton Waste Recovery Centre to talk to the children about where all the waste from North Yorkshire goes and how it is disposed of.

Thank you to Colby in Year 1 who drew a wonderful picture showing the importance of recycling our waste correctly.

Year 3 took part in a workshop where they learnt about the importance of reusing and recycling. The children loved making plant pots out of recycled newspaper to grow cress in.

On Wednesday we were visited by Afsha from Equilibria, an Islamic Education Group, who gave a really informative assembly about the Islamic faith. Children really enjoyed the assembly where they learnt new things about Islam and joined in a fun quiz and song! Afsha and Hasham then went on to run workshops with Year 2 and Year 5 – see below.

Year 5 had a very informative and engaging lesson about the 5 pillars of Islam. They already knew a surprising amount of knowledge and they were keen to learn more. They were fascinated by the artefacts brought in and they asked lots of thoughtful questions.

Year 2 listened to some Islamic stories about Muhammad, including the 'Baby Birds' and 'Seven New Kittens'. The children thought about the message within these stories and explained how they could show kindness to animals and humans alike. To end the session, they made their own bird feeders to take home and put where they wished.

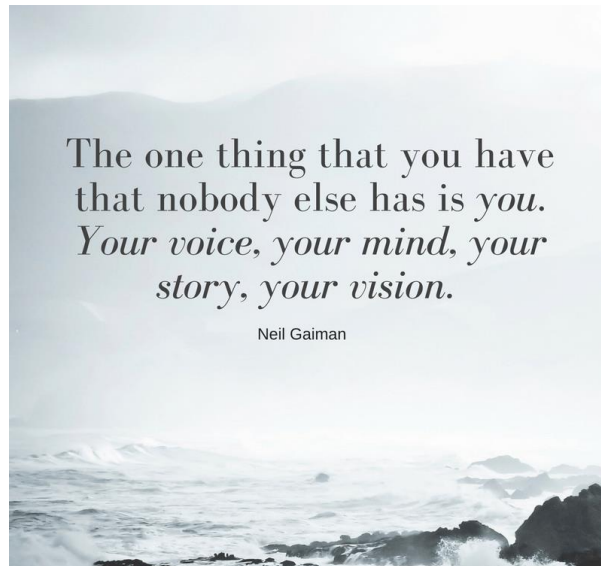

YEAR 3 ENTERPRISE

In Year 3 JJ/CR, Emily P supported by a group of friends came up with an enterprising idea to make money to buy books for their class library. The girls made and sold bookmarks to the class over several weeks giving a total profit of £28.10.

They then bought a range of popular books (new and second hand) for the class library. Well done girls for all your hard work and organisation. The class can't wait to read them!

QUOTE OF THE WEEK:

CONGRATULATIONS

Congratulations to the children who received a certificate in last week's Celebration Assembly: Emily L (AC), Sofia D (SK/CN), Colby E (RB), Louie O'C (HH), Anya B (ZM), Grace M (KM/BS), Alex O (JJ/CR), Isobel W (EW), Ewan T, Freddie W (AI/LS), Lettie M (PA/EH), Stanley M (JW), Pearla B (RI), Charlotte P, Bethany C (CD), George H (TM).

ROSSETT ACRE SHOW

Last Friday we held our Rossett Acre show which had a theme linked to World Environment Day. It is safe to say, we were blown away by all the amazing entries we received. The decorated cupcakes and cakes were inspiring. We had cupcakes disguised as sheep, bunnies and turtles – so clever. We also had Victoria sponge cakes disguised as owls, woodlands and meadows – wow! The art and sculptures were fantastic alongside the different photographs which were beautiful. We also had a few needlepoint, flower arranging and handwriting entries which were also stunning. All in all, the judges found it very difficult to decide who was going to win.

A huge congratulations to the winners of Best in Show, Jenny Marks for her floral display and Edward R (Y4 PA/EH) for his photography.

Here are some of the fantastic entries.

We would like to thank our four judges Jen Horseman and Jen Davies from RHS, Jonathan Timmis from Red Kite Learning Trust and Helen Timm from Fun Club for giving up their time.

We would also like to thank Mrs Macnair and Miss Baxter who worked tirelessly behind the scenes. Without them, the show could not happen.

ONLINE SAFETY

You all play a vital role in helping your children understand how to stay safe online. But online safety can also be a daunting. The NSPCC website has lots of information to help you feel informed, confident and happy about helping your children stay safe online. On their website you will find [advice for parents and carers about online safety](#) including information about social media, online gaming, parental controls, sharing nudes, livestreaming, harmful content and online reporting.

ROSSETT'S GOT TALENT

It's time to celebrate the huge amount of talent and skills we have at Rossett Acre School. This year's Rossett's Got Talent will take place in July. Children can perform either live in school or send in a pre-recorded video. The acts can be a celebration of any skill or ability, such as dance, singing, musical instrument, sport, artwork, magic, comedy.... Be creative! All participants receive 10 house points. Application forms will be sent out soon with all the details and dates. We look forward to seeing the showcase of talent we have here at school.

ATTENDANCE

Attendance 6 June 2025 to 12 June 2025:
96.3%

Number of pupils late at least once this week: 7

Remember: The gates open at 8.40pm and school starts promptly at 8.50am.

Today's attendance is 96.4%.

ECO – TIP

Plan ahead - One of the best ways to reduce the amount of food you throw out is to simply plan your meals before you shop.

PARENT SURVEY

We are committed to making our school the best it can be for every child and family. Your feedback plays a vital role in helping us understand what we are doing well and where we can improve. This short survey is an opportunity for you to share your thoughts on your child's experience and your interactions with school. Your responses will remain confidential and will be used to inform our future planning and priorities. If possible, please complete one per child. Thank you for your time and continued support.

KS1 CHESS CLUB

Hello, we are a small group of year five pupils who like playing Chess and have been asked to run a KS1 Chess Club where we can teach a small group of younger children how to play. We have started running our club at lunchtime and have found we need extra boards/sets so more children can have the option to join us. If you have an old unused/unwanted set at home and are happy to donate it to our club, we would be very grateful. Hopefully the year one and two children that we are currently teaching might be the future year fives that keep passing down their knowledge of how to play to younger students.

Thank you for your kind donations.

Pharmacy First Service

Most pharmacies in England are now providing the Pharmacy First service.

This free NHS service allows you or your child to get quick access to healthcare advice for the following seven conditions:

- Earache (aged 1 to 17 years)
- Impetigo (aged 1 year and over)
- Infected insect bites (aged 1 year and over)
- Shingles (aged 18 years and over)
- Sinusitis (aged 12 years and over)
- Sore throats (aged 5 years and over)
- Urinary tract infections (UTIs) in women (aged 16 to 64 years)

If you or your child has symptoms that suggest you may have one of these conditions, you can walk into a pharmacy and be offered a consultation with a pharmacist in a private consultation room.

The pharmacist will provide advice and, if clinically necessary, a prescription medicine to treat the condition (the normal NHS prescription charge rules apply to people aged 16 and over).

Think Pharmacy First! Find out more by watching the Pharmacy First animation or visiting nhs.uk/thinkpharmacyfirst

Allerton Waste Recovery Park

Allerton Waste Recovery Park is holding a [Free Summer Open Day](#) - Rubbish and Recycling event on Tuesday 5th August 10am – 3pm.

Join us for a fun and educational day focused on waste and recycling.

Everyone over the **age of 7 years old** can join a tour of the site to see the technology behind Energy from waste.

Learn how to reduce your environmental footprint and explore innovative recycling techniques.

This in-person event is a great opportunity to ask questions to experts in the field and participate in hands-on activities.

The North Yorkshire Rotters will be hosting fun and interactive activities including the famous smoothie bike.

Love Food Hate Waste - stand offering tasty samples and great tips on how to waste less food.
