Our school:

'Excellence and happiness for all'

Charity No.1048680

18 June 2025

Dear Parents/Carers

I am writing to inform you about our coverage of RSE (Relationship and Sex Education) in Year 4 this term. RSE is lifelong learning about physical, moral and educational development. It is about the importance of good hygiene, stable and loving relationships, keeping ourselves safe, respect and care.

We will be making use of a nationally acclaimed resource: 'The Christopher Winter Project: Teaching SRE with Confidence'. This resource is recommended by the PSHE Association. It includes age-appropriate lesson plans and interactive whiteboard activities matched to curriculum requirements for Early Years to Year 6.

The overview for our Year Group is as follows:

Year 4: Growing Up

- Growing and Changing
- What is Puberty?
- Puberty Changes and Reproduction

The themes are progressive throughout school and further information is available at:

https://cwpresources.co.uk/resources/rse_pri/

RSE related content in the National Curriculum for Science is compulsory; however, parents/carers have a right to withdraw their children from all or part of the school's RSE programme. Parents/carers wishing to withdraw their child must put their request in writing to the school via the school office, indicating which sessions they do not wish their children to attend (see bullet points above). These lessons will start this term after our Nell Bank visit.

If you have any questions, please contact your child's teacher.

Many thanks

Mrs Sims, Mrs Ingle, Mrs Haslam and Mrs Aslam
