Dear Parent/Carer,

As we begin to prepare for the new academic year, we wanted to inform you of an exciting update regarding the Year 3 (current year 2) swimming lessons that will require your attention.

New Venue – More Lessons – More Benefits!

We are thrilled to announce that Year 3 swimming lessons will now take place at a more conveniently located venue – Ashville Sports Centre! This new venue is within walking distance, meaning no coach costs and the children will be able to walk there and back with their classmates.

Thanks to the new venue, we are able to double the amount of swimming lessons the children receive compared to previous years, as they will be having lessons in both the autumn and spring term. This is a great opportunity for your child to develop stronger swimming skills, improve water safety, and build confidence in the water.

Cost and Payment Details

The cost per lesson is £3.85, which equates to £26.95 for the first half term of swimming.

As we need to know your child's swimming ability in advance, please can you provide this by filling out the form via the link below. **We must have the form filled out, consent for your child to take part in the swimming lessons, and the full voluntary contribution of £26.95 by 31st August.** The voluntary contribution will cover all the lessons in the first term and we must have your consent in order to take your child out of school.

What You Need to Do:

- Make a voluntary contribution of £26.95 (£3.85 per lesson) via Arbor for the first term by 31st August.
- Submit consent for your child to take part in the swimming lessons on Arbor.
- Let us know about your child's current swimming ability by filling out the swim ability form :

Thank you for your continued support. Should you have any questions or need assistance with the swimming ability form, voluntary contribution or providing consent on Arbor, please do not hesitate to contact the office.

Yours sincerely,
