

Rossett Acre Trips and Visits Schedule 2024-25

In order to plan for the forthcoming year, we thought it would be helpful for parents and carers to see what trips have occurred this year in the different year groups.

The trips are linked to our curriculum themes and due to the availability of location and cost, these do differ from year group to year group. They are also subject to change.

The Nell Bank and East Barnby Trips (for year 4 and 6) are residential trips. Parents' evenings are held early on in the academic year with payment structures put in place to enable the cost to be spread.
