

BE PART OF THE COMMUNITY

The Rossett Acre Primary School PTA would like to invite you to be part of our community's future.

As you know, schools are under immense budget constraints, which is why they desperately need help towards raising funds for vital school resources.

Rossett Acre Primary School is reaching out to local businesses to join us in directly impacting the educational experience of hundreds of children.

Your contribution will not only support our school but you will be investing in the entire community.

YOUR INVESTMENT

The Rossett Acre Primary School PTA is dedicated to enhancing the lives and experiences of our children. We aim to create brighter futures, foster new opportunities and deliver safe, welcoming environments.

Every penny contributed goes directly back into our school. This year we are seeking financial contributions or full sponsorship for:

- Playground markings
- Gazebos
- Hivis jackets with logos for school outings
- Sports kits with logos for competition games
- Early Years essential improvements
- Pencil cases and contents (pens, pencils, rulers, etc)
- Teaching resources
- School trips
- School events

THANK YOU FOR SUPPORTING OUR CHILDREN

EVERY CONTRIBUTION COUNTS

As a whole school community, we are looking for both financial contributions and donations and practical items towards events and enhancing our school facilities.

To say thank you, we will promote your business, whenever and wherever we can. We are working hard to continuously improve our comms and will feature your brand across all of our platforms.

The best thank you though, is through giving you the opportunity to see how your contributions are helping our children, and our school thrive. We welcome you to attend our events with the opportunity to promote your business further.
