Dear Year 6 parents, carers and children

Year 6 Apprentice Scheme

As part of our Year 6 Apprentice Scheme, each child has been given £3 to create and run their own small business venture. We are really excited to see the creativity and entrepreneurial spirit that the children will bring to this project.

If your child chooses to make and sell food items such as cookies, brownies, or any other edible products, please ensure the following:

- **A full list of ingredients must be clearly displayed** with the product so that anyone purchasing is aware of what it contains.
- **The label must also state: "We cannot guarantee that this product does not contain any allergens."**

This requirement is essential, as we have a number of children in school with allergies, and keeping everyone safe is our priority.

Please also remind your child that their business activities **do not need to take place in school**. They are very welcome to run their enterprise at home or outside of school time.

Thank you for your support, and we look forward to seeing the fantastic ideas the children bring to life.

Yours sincerely

The Year 6 Team
