

Parents and Carers
Rossett Acre Primary School

9 March 2026

Dear Parent/Carer

Appointment of new Headteacher

I am delighted to inform you that we have appointed Miss Woodcock as the new Headteacher of Rossett Acre Primary School, effective April 2026. We were fortunate to have several strong candidates, but Miss Woodcock distinguished herself as the person with the vision, experience and personal qualities needed to lead Rossett Acre confidently into the future.

As you know, Miss Woodcock is currently the Deputy Headteacher at Rossett Acre and has a deep understanding of the school, its culture and its community. Throughout the selection process, it was evident that she brings the drive, energy and ambition to build on the strong foundations established by Mrs Penhale. Her values align closely with those of Red Kite Learning Trust, making her an excellent fit for this next chapter in the school's development.

Thank you for your continued support.

Yours sincerely

Ian Tucker
Chief Executive Officer
