### Pond Dipping Sessions Friday 26 June 2026

Rossett Nature Reserve are once again holding their popular pond dipping sessions on **Friday 26 June**.

There will be two 20 minute sessions at **5.00-5.20pm and 5.30-5.50pm** to be held at the pond on the reserve. Due to the size of the dipping platform we are limited to approximately 15 people per session. All children must be accompanied by one adult and we're sorry but we cannot offer younger/older siblings a place. On this occasion we are offering this to EYFS and KS1 only.

Will you find a Great Crested newt? Can you use the key to identify your creature? If you wish to take part in the fun, please log on to Arbor – Visits and sign up for one of the sessions. Arbor will close at 9am on **Tuesday 23 June 2026 or once all places have been taken**.

In the event of inclement weather, we will postpone the session and you will be notified by school on the day.

Rossett Nature Reserve is a voluntary run site. Although the event is free, any donations for the maintenance and upkeep of the reserve will be gratefully received.

We look forward to a successful evening of pond dipping.

Mrs Carla Reddish  
Year 3 Teacher  
Science Co-ordinator
