YEAR GROUP SPOTLIGHT...

Year 2 – Nell Bank Trip –

On Tuesday, Year 2 had a fantastic time at Nell Bank! In the morning, we learnt how different animals use their senses to help them survive, focusing on creatures such as moles, rabbits, badgers and owls. In the afternoon, we enjoyed pond dipping and discovered lots of amazing pond creatures, including newts and pond snails. We finished the day with lots of fun in the water play area, where one or two children may have got a little bit wet! Everyone had a wonderful time, and it was a brilliant day of outdoor learning and adventure.

SAFEGUARDING:

We know some children in school have these, please take a read of the article below. Northumberland council warns public about 'toxic' squishy toys - BBC News <https://share.google/KsqHMEPCdQ4liiPVht>

FINAL DATE FOR
ENTRIES: 26 JULY 2026

We're looking for original writing on the theme of the natural world and its inhabitants having to share the space. This could involve humans and any other aspect of nature such as animals, plants, or habitats where nature lives. Writing could express human interaction with nature, or where humans haven't shared well with nature, or where two animals are fighting for space or food.

For example, plants growing through a brick wall, animals at a watering hole, birds visiting a bird feeder near houses, or humans building over the habitats of many important animals and plants. These are examples of "our shared planet" and are interesting or important to recognise.

Write a story, poem, prose, article, song lyric or letter up to 500 words on the theme of
