

ROSSETT ACRE PRIMARY SCHOOL

PARENTS AND CARERS BEHAVIOUR POLICY

Name of School:	Rossett Acre Primary
Date of Policy:	September 2023
Name of Staff Responsible:	Headteacher / Governing Body
Review Date:	Reviewed September 2025 Review September 2027

At Rossett Acre our vision is 'Excellence and Happiness for All' and our ethos is to respect everyone, which is driven by our 3C's of: Curiosity, Challenge and Community. Our school rules follow RRS (Ready, Respectful and Safe), with our golden rule being 'Treat others the way you would want to be treated.' We expect all stakeholders to uphold our vision and ethos and to act in a respectful and kind manner.

The Governing Body and Headteacher, strongly believe that our school should be a welcoming and safe place for our children, staff, parents and visitors alike and that our parents share that belief. We have legal responsibilities for the safeguarding and wellbeing of children and staff, and a duty of care to all users of our school.

All adults who enter our school site at any time set examples of behaviour and conduct which influence children and young people and we believe that they should therefore demonstrate high standards of conduct in order to encourage our pupils to do the same. Parents and carers must show respect to all other parents and carers, children and staff.

Adults who do not behave in an acceptable manner may be asked to leave the site and the Headteacher has the right to further restrict their access.

Behaviour which is regarded as unacceptable includes:

Physical or verbal abuse, threatening, oppressive or aggressive behaviour or use of offensive language towards other adults, staff or children

Entering the school site under the influence of alcohol or drugs

Smoking/vaping anywhere on the school site

Bringing dogs, with the exception of registered Assistance Dogs, on to the school site without the explicit permission of the Headteacher

School-related issues which parents or carers have concerning school, pupils or their families must be brought to the attention of a member of staff. Parents or carers must not try to resolve any issues themselves by direct action on site. If issues cannot be successfully resolved by speaking to a staff member, parents' and carers' correct course of action is to use the Red Kite Complaints Procedure as appropriate.

We expect all communication between parents and school to be conducted in a polite and respectful manner. Communication may be similarly restricted if it becomes unacceptable.

Thank you for your co-operation.
