

# ROSSETT ACRE PRIMARY SCHOOL

## ACCESSIBILITY PLAN

<b>Name of School:</b>	Rossett Acre Primary School
<b>Member of staff responsible:</b>	Kate Woodcock
<b>Date of Policy:</b>	November 2024
<b>Date of next review:</b>	November 2026

**Vision:** Excellence and happiness for *all*.

**Ethos:** To respect *every* individual.

It is a requirement that Rossett Acre Primary School's Accessibility Plan is resourced, implemented and reviewed as necessary.

Under the Equality Act 2010 you are disabled if you have a physical or mental impairment that has a "substantial" and "long term" negative effect on your ability to do normal activities. Substantial is more than minor or trivial, e.g., it takes much longer than it would to complete a daily task like getting dressed. Long term means 12 months or more e.g., a breathing condition that develops as a result of a lung infection. The definition includes physical, sensory (visual and hearing), learning difficulties and learning disabilities, mental health and long-term health conditions. [Equality Act 2010: guidance - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/equality-act-2010-guidance)

Our plan sets out the proposals of the Governing Body to increase access to education for disabled pupils in three areas required by the planning duties in the Disability Discrimination Act 1995 (DDA) [Disability Discrimination Act 1995](#)

1. Increasing the extent to which disabled pupils can participate in the school curriculum
2. Improving the environment of the school to increase the extent to which pupils can take advantage of education and associated services
3. Improving the delivery to disabled pupils of information which is provided in writing for pupils who are not disabled

At Rossett Acre Primary School we have a general duty to:

- promote equality of opportunity between disabled people and other people;
- eliminate discrimination;
- eliminate harassment related to a disability;
- promote positive attitudes towards disabled people;
- encourage participation by disabled people in public life;
- take steps to take account of disabled people's disabilities even where that involves treating disabled people more favorably than other people.

## **Definition of Disability**

Disability is defined by the Disability Discrimination Act 1995 (DDA) as:

*“A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day to day activities.”* This includes a person:

- who is visually or hearing impaired
- with a physical disability
- with a medical condition including diabetes, asthma, epilepsy, chronic fatigue syndrome, a mental health condition and any other on-going illnesses and conditions.
- with an autistic spectrum disorder
- with Down’s syndrome
- with dyspraxia and/or ADHD
- with dyslexia

We understand that the definition of disability under the Disability and Discrimination Act is different from the eligibility criteria for special educational needs. This means that disabled pupils may or may not have special educational needs.

The school is committed to inclusion, the removal of barriers to learning and increasing access for pupils with disabilities in order to improve outcomes. This is driven by the National Curriculum Inclusion Statement which states that it is schools’ responsibility to: ‘provide a curriculum that meets the specific needs of individuals and groups of pupils’.

## **Key Objective**

To reduce and eliminate barriers to access; barriers to the curriculum and so lead to a full participation in the school community for pupils, prospective pupils, staff and visitors with a disability.

## **Our Aims**

At Rossett Acre Primary School we aim to provide an environment where every child has the confidence to strive for the highest possible standards of personal and academic achievement. Our commitment to an inclusive environment for pupils, parents and carers, staff, Governors and others involved in the school community is at the heart of our vision and values.

## **Action Plans**

Please see attached three audits of current provision relating to our three aims of accessibility. These plans also have an ‘Action Required’ section with details of future planned action.

- Curriculum Access Plan
- Physical Access Plan
- Access to Information

Classrooms are optimally organised for disabled pupils.	Staff consider the best arrangement of furniture, to improve accessibility and accommodate necessary equipment.	Consider Year Group classroom changes to best meet the needs of pupils with a disability.	Each July, we consider which classrooms would be best suited to accommodate children with additional needs. Year groups are moved as Required for the September start.
Differentiated lessons provide opportunities for pupils to achieve, e.g. work to be completed by individuals, pairs, small groups and the whole class as appropriate and support staff are allocated as necessary.	Lesson visit records. Whole school Dedicated Support Map. Individual Dedicated Support Plan. Individual Emotional and Wellbeing plans. Lesson Plans.	Implementation of personalised learning to continue.	Children feel supported and are able to progress in their learning. Parent and Children voice is considered and taken into account. Children are able to feel a sense of achievement.
Buddying System in place for new starters.	CPOMs Pupil Voice Nurture Team support New starters	Meetings between SENCo and Class Teacher to consider best buddying pairings. Nurture Team to be introduced to children immediately. Check ins are carried out through the first term of the children arriving at school.	Children feel supported and welcomed into the school community.
All pupils are encouraged to take part in music, drama and physical activities.	Full inclusion, extra-curricular clubs and activities.	Meetings between parents and teachers on progress made. All staff to consider ideas for Lunchtime Clubs.	Several lunchtime clubs now taking place.

<p>Staff recognise and plan for the additional time and effort needed by some pupils with disabilities, slow-writing speed for pupils with SPLD, more time to move from activity to activity for pupils with a physical disability.</p>	<p>All staff aware of needs and detailed in their Dedicated Support Plan and transition documents.</p> <p>Appropriate applications can be made for SATs – readers/scribes/extra time can be applied for.</p>	<p>Sharing of Dedicated Support Plans with parents and pupils, termly and when required.</p> <p>Meeting between parents, teachers and pupils regarding SATs arrangements.</p>	<p>Pupils given additional time and support during SATs.</p>
---	--	---	--

All staff plan for additional time required by some disabled pupils to use equipment.	See planning.	Meeting between parents, teachers and pupils.	Children are then supported in the appropriate way. They can access their learning in a way that supports them.
Pupils with disabilities who cannot participate in particular activities are given alternative experiences eg. Some forms of exercises in PE/sport.	See planning.	Meeting between parents, teachers and pupils.	Children are able to exercise in an appropriate way.
IT equipment is provided for and has been fitted with additional software/hardware to allow access for disabled pupils.	Various software on laptops, enlarged keyboard, variety of recording equipment.	Links with the SENDHUB, Hearing Support and Speech Therapy Support Services to provide as and when appropriate.	Additional equipment provided for child with hearing impairment.
School Visits are accessible to all pupils regardless of attainment or impairment.	See Educational Visits Policy. All Risk Assessments include information regarding pupils with a disability, H&S Policy.	Site visits to always take place prior to school visit.	All children are given the same opportunities.
All staff have high expectations for all pupils.	Lesson Observations, tracking and target setting in place. Pupil Impact meeting notes.	Regular lesson observations, book scrutinies, learning walks, interviews with pupils, pupil Impact meetings.	Monitoring ensures that all staff are setting high expectations for all children.
All staff strive to remove barriers to learning and participation and value pupil voice.	Lesson Observations, Dedicated Support Plan reviews, staff meetings.	Continued communication and CPD for all staff.	Staff feel equipped to support pupils with disabilities and know where they can access resources and training opportunities. Children and their families feel they are listened to.

## PHYSICAL ACCESS PLAN

Statement	Evidence	Action	Outcome
Wheelchair users will require a ramp and/or some assistance when accessing the school building and some internal areas.	The Majority of doors are wide enough to accommodate a wheelchair. The majority of classrooms are on one level and a ramp is available leading into the Timeline Hall.	Health and Safety inspections are carried out regularly. Handrails and grabrails have been erected to support where required.	Children who need access are provided with this.
Disabled toilet facilities have sufficient room to accommodate a changing mat.	Changing mat available and nappy bin in place.	A care suite has been considered by RKLTL however, at present, there are no children who require it in school.	RKLTL aware of possible need of care suite in the future. Children in nappies have facilities to be changed in an appropriate environment.
All external areas are accessible for children with visual impairment.	All external steps are clearly white-lined and external steps have handrails.	Steps to be re-painted white each summer.	Children with visual impairment can negotiate steps around school successfully.
Pathways round school are safe and well lit.	Good lighting and pathways are well maintained in adverse weather conditions.	Site Manager carries out regular safety checks and records on Risk Manager. Annual H&S Audit is carried out.  H&S inspection carried out by Red Kite 13/11/2024.	Pathways are currently safe.
