We need your help to feed the dragons!!!

Dragons are real you know! One lives at Imagined Things! They live off words & imagined worlds - they need them for their wings!

Pick up your free booklet in the bookshop! It will explain all about the dragons & start your reading adventure! Every children's book you get from us will be recorded. Children will get stickers each time and a badge & certificate on completion! As well as the fun of taking part!

After 10 books your booklet will be completed!

**We give at least 10% to your school
for books from each completed booklet!**

As part of our Little Dragons' Project we'll be putting over 250 books into local primary schools just to start with! With enough booklets completed this could be 1500 extra books or more!

Please note the project is for HARROGATE PRIMARY SCHOOLS.

Deadline for booklet completion is the end of November 2019!

Please call in/contact us to take part or for any questions...
