Year 5 Growing Up Talk

As part of our commitment to providing a curriculum which is relevant and appropriate to our pupils, Year 5 teachers plan to speak to Year 5 children this term about puberty and how it may affect them.

As a school, we feel responsible for preparing our pupils for any changes they may encounter before they occur. As some children may experience these changes before they enter Year 6, which has happened previously, we have decided to provide this talk in Year 5.

The children will be introduced to changes that occur to boys and girls during puberty. We are confident that any questions which the children may have will be dealt with sensitively.

If you have any queries about the content of the sessions, please do not hesitate to get in touch.

You have the right to withdraw your child from the lessons. If you wish to do so, please Dojo your teacher **by Friday 3rd May 2024.**

Yours sincerely

The Year 5 Team
