Dear Parent/Guardian,

**Inspiration Brick - LEGO® Club**

**Let the MAGIC begin!**

I am writing to inform you that we are offering a new 7 -week creative Inspiration Brick LEGO® club for boys & girls in Yr. 1 at Rossett Acre school on Tuesdays after school. Our one-hour clubs explore, science, technology, architecture, engineering, and art concepts using LEGO® bricks. The possibilities are limited only by their imagination. Beginning with a short talk from our instructor regarding the themed week and time to get to know the equipment, pupils work individually or in groups to construct their models at their own pace and in similar ability levels coming together in the latter part of the club to construct a joint model.

**7 Week Inspiring LEGO® Club**

Our LEGO® club will fire up your child's imagination and spark creativity in the form of inspired play using themed Lego weeks coupled with our magical delivery. Our LEGO® curriculum will provide your child with an opportunity to design and build LEGO® creations working either individually or in groups and participate in challenges, group competitions as well as free build time towards the end of the course. Our themed LEGO® curriculum will provide pupils with an opportunity to build from the options below and more:
