

15th December 2024

Dear Parent/Guardian,

Inspiration Brick - LEGO® Club

Let the MAGIC begin!

I am writing to inform you that we are offering a new 12 -week creative Inspiration Brick LEGO® club for boys & girls in Yr. 2 at Rossett Acre school on Tuesdays after school. Our one-hour clubs explore, science, technology, architecture, engineering, and art concepts using LEGO® bricks. The possibilities are limited only by their imagination. Beginning with a short talk from our instructor regarding the themed week and time to get to know the equipment, pupils work individually or in groups to construct their models at their own pace and in similar ability levels coming together in the latter part of the club to construct a joint model.

12 Week Inspiring LEGO® Club

Our LEGO® club will fire up your child's imagination and spark creativity in the form of inspired play using themed Lego weeks coupled with our magical delivery. Our LEGO® curriculum will provide your child with an opportunity to design and build LEGO® creations working either individually or in groups and participate in challenges, group competitions as well as free build time towards the end of the course. Our themed LEGO® curriculum will provide pupils with an opportunity to build from the options below and more:

Archaeology	Design & Build Ancient LEGO® South America Pyramids
Architecture	Design & Build a LEGO® Empire State Building Sky Scraper
Star Wars	Design & Build a LEGO® Star Wars Lightsaber or AT-AT Vehicle
Maze	Design & Build a Maze & Use a Marble to Navigate from a-b
Free Build	Design & Build Creations of Your Choice Using LEGO®
Symbolism	Design & Build a LEGO® Angel of the North or Champions Trophy
Symbolism	Design & Build Your Name & Age in 3D Using LEGO®
Archaeology	Design & Build an Ancient LEGO® Castle
Engineering	Design & Build a LEGO® Pirate Ship with masts & a walk the plank
Free Build	Design & Build Creations of Your Choice Using LEGO®
