## Home-School Agreement

At Rossett Acre School our motto is 'Excellence and happiness for all'.

We have high standards and strive to continue to raise these, supporting every child in meeting their full potential. We promote a love of learning in our vibrant, friendly school, with a focus on purposeful learning which encourages children to be independent, self-motivated, responsible, caring, inquisitive and enterprising. We aim to prepare children for life now and in the future and are committed to inclusion and providing a good quality education for all. We are a caring school and it is important to us that we understand the needs of every child, delivering provision which is tailored to each child's needs and providing opportunities and encouragement to learn in an environment where mutual respect and pursuit of excellence are emphasised.

A Home/School agreement is a way of communicating our vision and ethos with parents. We believe that this is done most effectively when all staff, parents and children understand their responsibilities, working towards common goals as detailed in this document.

### Agreement by school

The school will do its best to:

- encourage children to do their best at all times
- expect high standards from children in behaviour and work
- inform parents and carers of their child's progress at regular meetings and via an annual report
- take steps to ensure the safety, happiness and self-confidence of all our children
- give children set tasks for home learning
- offer a broad, balanced and interesting curriculum with a range of extra-curricular opportunities
- contact parents promptly about concerns - academic, social or behavioural
- respond promptly to concerns within an acceptable time frame
- celebrate your child's achievements
- keep parents and carers informed of curriculum, school activities and events including; regular newsletters, whole school and class DoJo, Tapestry and the website
- treat all members of our school community with respect
- be positive role models when using the internet and educate children on E-safety

## Agreement by parent/carer

I will do my best to:

- make sure that my child arrives on time
- make sure that my child attends school every possible day and inform the school of any reason for absence before the start of the school day
- maintain up to date contact details
- support the school in maintaining good behaviour and discipline
- support my child in their homework and any other home learning opportunities
- ensure that my child follows the dress code, including PE kit
- let school know of any problems that may affect my child's ability to learn
- take an active interest in my child's school life and value their achievements, including attending any meetings
- treat all members of our school community with respect
- be a good role model when using social media and ensure my child stays safe on the internet at home

I would be grateful if you could log onto your Arbor account and consent to the Home-School Agreement which can be found on the pupil dashboard under Notices.
